

Requirement	Where Requirement is Met
You must have at least 3 pages: a home page, a contact page and one other page.	Home: index.html Contact: contact.html Other: <ul style="list-style-type: none">- about.html- portfolio/mistrust.html- portfolio/connection.html- portfolio/dead_flowers.html- portfolio/joey.html
Content must be realistic. Lorem Ipsum text is not acceptable. Ai generated content is ok – but it MUST make sense. I.e, you will probably need to edit it.	All content is original and realistic
You must have at least 10 CSS style rules	style.css
Include a table or a list	Header navigation ul (index.html lines 47-50)
Links must have a hover effect	style.css line 25
You must have an external stylesheet	style.css
You must have an internal stylesheet on one of the pages	index.html
Include at least two images – one must be a background image. The file size of any images must be less than 60k unless it is for a banner – then it can be up to 120k.	Portfolio items on home page each have a background image (index.html lines 29-32)
You must include at least two fixed page elements to make the site look consistent - for example: header, navigation, sidebar, or footer	Header and footer (<header> and <footer> tags on each html page)
The site must be responsive mobile-friendly: it must look good on a phone without zooming the screen	Use of flex boxes and media queries
